AUDITION INFORMATION – SCHOOL OF VISUAL ART

- Applicants will be given a series of observational drawing tests in order for them to demonstrate their technical skills, competence, and confidence when recording observations. This will involve students demonstrating their own personal drawing styles whilst using the main elements of art (tone, texture, form, line, shape, pattern and colour).
- Applicants must bring their own pencils (HB, 2B, 4B, 6B), graphite sticks and sharpener.
- Paper, easels, aprons, colour media and other materials will be provided.
- Applicants who have more than one specialist artistic medium, discipline or expertise should indicate this and be prepared to display all facets of their ability, styles and skills at the audition by demonstration or portfolio.
- Students should also complete an Application Form for Visual Art for submission, paying particular attention to question 5 *“In your own words, describe how you feel when creating artworks”*.
